[Menage Amour: Erotic Paranormal Consensual BDSM Menage a Trois Romance, M/M/F, with M/M, werewolves, paddling, flogging, cropping, whipping, sex toys, HEA] Georgina's seen both the good and the bad that comes from having mates. The love the bonding creates lasts a lifetime. But that's just it. After she watches her mother die of a broken heart, the anxiety Georgina develops over bonding to Damien and Austin is well warranted. Can she get over her fear, or will she keep the pact with her brother that they're better off alone? Damien and Austin know they have to bring Georgina around to being their mate. After all, Damien sees the perfect submissive that Georgina is, and he wants her to embrace the life she's been ordered to live by their alpha. But as things heat up between the three of them, a plea for Damien to take over the Big C leaves him with a tough decision. Does he try to become the alpha he's always known himself to be, and risk making Georgina's fear of losing one of her mates a possible reality? Or does he walk away from it all and face the consequences? Note: This book contains topping by the heroine. \*\* A Siren Erotic Romance
