## Fatima de los naufragios. Relatos de tierra y mar (Spanish Edition) (Autores Espa~noles E Iberoamericanos) Lourdes Ortiz

Fatima de los naufragios la llamaban. La loca de la playa, la mendiga africana. Es la Macarena de los Moros, la madre que perdio a su hijo y aun le espera y reza por el, con las manos cubiertas por el manto e inmobil, como si oyera los mensajes del mar, dialogase con el y aguardase a que el mar escuchara algun dia su plegaria. Las gentes del pueblo, que rezan a Fatima para que proteja a los suyos, creen que un dia, cansada de esperar, entrara en las aguas para rescatar del fondo del mar los cuerpos de los ahogados. En otro de los relatos, el Chano, proxeneta de tres al cuarto, vive prendado de Marcelinda, su prostituta africana, por la que tiembla cada vez que se le acerca un cliente con ganas de poseer su piel de ebano. Marcelinda, que escapo del hambre y el miedo, se ha enamorado hasta la muerte de el Chano, el unico hombre que nunca le ha hecho promesas imposibles. Son historias unidas por el comun denominador de la angustiada soledad de sus protagonistas, que en su busqueda del paraiso se han extraviado por el camino, sorprendidos por espejismos sordidos y caprichosos. Lourdes Ortiz, con una prosa que combina los ritmos secos y descarnados con un aliento lirico de hondo dramatismo, presenta en este volumen de relatos una exploracion lucida y sincera de las aflicciones y los sinsentidos de la ambicion humana. Relatos de tierra y mar Son estas seis historias de tierra y mar relatos de ausencias, de muertes anonimas, de amores epicos y anhelos incumplidos; son historias de sentimientos viscerales, hondos e insospechados, en los que retazos de la existencia cotidiana, desprovistos de los encajes de la retorica, palpitan con una intensidad desgarradora.
