Book 3, a continuation of the Tom Gray series.

A year after he was declared dead and began living under an assumed name in the Philippines, Tom Gray wants his life back...

Along with two ex-army buddies and a woman he rescued from terrorists, Gray attempts to make his way home to the UK to clear his name: no easy feat when members of the British government want to kill Gray and his loyal friends, and the long clandestine journey home on a container ship gives Gray's nemesis, James Farrar, the time to hatch a plot to intercept him.

In *Gray Redemption*, the third book in the popular and action-packed series that began with *Gray Justice*, the hunted and the hunters converge. Tom Gray's only hope is to seek the help of an old adversary and pray he still believes in justice.
