User-friendly, class tested and authoritatively research-based, *Step by Step to College and Career Success* offers students proven information and straightforward strategies that they can apply toward their success. This is the briefest title in the Gardner family of books, and the authors have focused on the most crucial skills and the most important choices students make in order to succeed in college and beyond.

Featuring a compelling new design, the new edition covers pressing topics that affect students' lives and how they learn, expanding on the book's themes of motivation, persistence, resilience, and decision-making.

Each new copy of the text can be packaged with *LearningCurve*, a new adaptive, online assessment tool. A full package of instructional support materials—including an Instructor's Manual, PowerPoint slides, videos, and a Test Bank—provides new and experienced instructors all the tools they will need to engage students in this course and increase student retention.
