Straight from the Heart

Ann Richards

Straight from the Heart Ann Richards

Straight from the Heart is Ann Richards's story, told with the candor and spicy humor that were her trademarks. Born in a tiny town near Waco, Texas, she entered politics when her husband wouldn't—and went on to become state treasurer, the first woman elected to statewide office in Texas in fifty years. She had her victories and her battles (the breakup of a thirty-year marriage and a bout with alcohol), but her love of Texas and Texas politics made her who she was.

This extraordinary memoir by one of the nation's leading politicians proves the wisdom of her observation that women “can have a good and wonderful life, but that it only begins when they accept responsibility for it, not when they expect someone else to make it happen.” Richards talks openly about the course of her life and the choices she made on the way. Her hard-won triumphs and savvy political career provide inspiring examples for all.

From reader reviews:

John Cleveland:

This Straight from the Heart book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book is usually information inside this publication incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This particular Straight from the Heart without we know teach the one who looking at it become critical in imagining and analyzing. Don't end up being worry Straight from the Heart can bring if you are and not make your tote space or bookshelves' turn into full because you can have it in the lovely laptop even cellphone. This Straight from the Heart having excellent arrangement in word in addition to layout, so you will not truly feel uninterested in reading.

Paul Weston:

Here thing why this Straight from the Heart are different and reputable to be yours. First of all reading a book is good nonetheless it depends in the content than it which is the content is as tasty as food or not. Straight from the Heart giving you information deeper and in different ways, you can find any reserve out there but there is no publication that similar with Straight from the Heart. It gives you thrill looking at journey, its open up your current eyes about the thing which happened in the world which is probably can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. If you are having difficulties in bringing the branded book maybe the form of Straight from the Heart in e-book can be your alternative.

Wilfred Walker:

This Straight from the Heart is great reserve for you because the content that is full of information for you who also always deal with world and also have to make decision every minute. This book reveal it info accurately using great arrange word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with attractive delivering sentences. Having Straight from the Heart in your hand like getting the world in your arm, information in it is not ridiculous 1. We can say that no reserve that offer you world throughout ten or fifteen second right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. active do you still doubt in which?

Elizabeth Schwartz:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is composed or printed or highlighted from each source that will filled update of news. With this modern era like at this point, many ways to get information are available for you. From media social similar to newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just in search of the Straight from the Heart when you desired it?
