Welcome back to Virgin River with the books that started it all...

Shelby McIntyre has big plans—plans that include finding Mr. Right. Her dream man will have a clean-shaven jaw, creases in his pants and hopefully an advanced degree. What she gets is rugged Luke Riordan.

At twenty-five, after five years as her mother's caregiver, it's time for Shelby to experience freedom and adventure. Time for travel, college and romance. But when she visits Virgin River, she runs into Luke Riordan, decidedly not whom she has in mind.

A handsome Blackhawk pilot, Luke exited the army after twenty years, four wars and having been shot out of the sky three times. At thirty-eight he's tough and jaded. His major was in one-night stands, with a minor in commitment avoidance.

Technically, these two are all wrong for one another. But sometimes what you want and what you need are two different things...two very *good* things.
