Treasure Box Orson Scott Card

Widely acclaimed, hugely successful speculative-fiction author Orson Scott Card takes another step into the mainstream with an extremely chilling, vastly engaging novel that sets the notion of family values on its head and chronicles a man's transformation from hermit to hero.

When Quentin Fears was 10, his sister left this world, the victim of a car accident. Her death made him withdraw from this world too into books, away from people. By the time he reaches adulthood, Quentin has become a certifiable recluse, moving restlessly from town to town, investing the millions he's made as a software creator and avoiding companionship. It's odd but maybe inevitable that on a rare outing to a party he should meet his dream woman, Madeleine. She's witty and beautiful and as naive to the world's ways as he is, and they marry in a matter of weeks. Their relationship seems idyllic but for one thing Madeleine's multigenerational, cantankerous, eccentric family who all live in a rambling riverside mansion in upstate New York.

But poor family dynamics isn't all that's wrong with them. Beyond the squabbling, there's an ancient family secret to which Madeleine holds the key. Only Quentin can stop her from unleashing an ageless malevolence that will rule the world. But to do so, he must do what seems impossible step outside himself into the world he has avoided. He must learn friendship, trust, forgiveness and the courage to face down the ultimate evil. Joining Quentin in this epic confrontation is a splendidly quirky cast of heroes, villains and witches from a no-nonsense nurse with a dash of the romantic in her to a small-town sheriff whose affable exterior conceals a dangerous past to a 10-year-old girl named Roz whose malign powers are rivaled only by her smart mouth.

Treasure Box introduces the most spectacularly dysfunctional family in recent fiction and a singular hero whose only weapons against them are his mind and his heart. How Quentin defuses this volatile mixture of comedy and horror makes for a viscerally unsettling, poignant and appealing tale that's sure to draw the legions of fans Card has won in other genres and new fans as well.

From reader reviews:

Gerard Brand:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim as well as goal; it means that book has different type. Some people sense enjoy to spend their time for you to read a book. They are reading whatever they get because their hobby is usually reading a book. Why not the person who don't like looking at a book? Sometime, person feel need book once they found difficult problem or perhaps exercise. Well, probably you should have this Treasure Box.

Mae Saari:

What do you consider book? It is just for students because they are still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great in addition to important the book Treasure Box. All type of book could you see on many methods. You can look for the internet methods or other social media.

Michelle Pacheco:

Precisely why? Because this Treasure Box is an unordinary book that the inside of the publication waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.

Clorinda Combs:

Are you kind of hectic person, only have 10 or even 15 minute in your day to upgrading your mind talent or thinking skill actually analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short time to read it because this time you only find book that need more time to be study. Treasure Box can be your answer since it can be read by you actually who have those short extra time problems.
