A Book Desi Arnaz

""Welcome to A Book, in which I try to explain how a kid from Cuba found a way to make a living in the United States. It's all here -- the good, the bad, the beautiful, the ugly, the unbelievably lucky breaks, and the heartbreaking failures. "Except for my first experience with sex, a major earthquake, and a revolution in which we managed to lose everything we had, life in Cuba was lovely. Exile in Miami was a time for survival, when I perfected many interesting trades such as mobile canary-cage cleaner and broken-mosaic-tile salesman. Father Barry and Al Capone, Jr., helped me finish high school. There I learned much about America and her people while carrying on my battle with her language. "While I was playing guitar and singing at the Roney Plaza in Miami Beach, Xavier Cugat offered me a job with his orchestra. I had to steal from the Waldorf-Astoria kitchen to live on what he paid me. What he taught me was worth a fortune. When I quit and went back to Miami, he sent me a small 'Latin' band. When they arrived, I knew I'd been had. In desperation I started beating the hell out of a big Afro-Cuban drum, and the conga was born in the U.S.A. It became a craze and got me all tangled up. Too Many Girls took me to Hollywood and Lucy. After that I decided to forget about too many girls. It was safer. "If you think those first two decades were a little crowded, wait until you read about the next two. I am sure you will understand about the milk girls and the Bingo girls, but Lucy didn't and filed to divorce Staff Sergeant Arnaz. "You will learn what Lucy and I had to do to convince people we could play husband and wife in I Love Lucy. Shortly afterward Lucie and Desi Jr. were born and our world was paradise. The irony of it all is how our undreamed-of success fame, and fortune turned it into hell. It wasn't easy to write about all of it, but as my son said, 'There's only one way to do it, Dad. Tell it like it was.'"

From reader reviews:

Samuel Brooks:

Spent a free a chance to be fun activity to try and do! A lot of people spent their spare time with their family, or their friends. Usually they carrying out activity like watching television, going to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Might be reading a book might be option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to consider look for book, may be the guide untitled A Book can be good book to read. May be it could be best activity to you.

David Wysocki:

Playing with family in a park, coming to see the sea world or hanging out with buddies is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love A Book, you may enjoy both. It is fine combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't get it, oh come on its called reading friends.

Norman Duque:

Are you kind of stressful person, only have 10 or even 15 minute in your time to upgrading your mind skill or thinking skill possibly analytical thinking? Then you are receiving problem with the book compared to can satisfy your small amount of time to read it because this time you only find publication that need more time to be read. A Book can be your answer given it can be read by a person who have those short spare time problems.

Nancy Brown:

That e-book can make you to feel relax. This specific book A Book was colorful and of course has pictures on there. As we know that book A Book has many kinds or style. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that will.
