Angel of Music: Tales of the Phantom of the Opera Carrie Hernandez

Three stories, based on characters from the original Phantom of the Opera novel. Three stories, revisiting that universe. A phantom who lives in hiding. An angel heard in dreams. There are *Phantoms of the Mind*, that send a lonely rape victim spiraling off into madness. There's *The Portal*, a place where darkness meets light. There is *Little Lotte*, the child who hears an angel sing. Unlike any stage or screen version, the focus is angel, not phantom. Ever present, he unites the threads of these tales.
