## **Gert & Uwe Tobias** Gert & Uwe Tobias

The terrific twosome of Gert and Uwe Tobias, the German wonder twins, reappears here with an artists' book featuring recent work, especially their unique woodcuts. Conceived as an accompaniment to important shows in Switzerland and Austria, this elegantly produced

book compiles recent works and plays with collage as a stylistic medium. The works appear at first in full, and then reappear subsequently in sections. Time and time again it becomes apparent how diverse stylistic elements (including embroidery patterns, portraits, pictograms, panel paintings, and history paintings) can coalesce to form a new picture. This book demonstrates the astonishing bandwidth of the Tobias brothers talent, and shows off the continual stylistic refinement in their work.
