## Book Trailers without the Cost

Videos embedded in your social media can raise awareness of your book. But until recently creating one was time-consuming and costly. However, Using Adobe Voice, a program for iPad, you can create beautiful book trailers spending little or no money. This book is a simple, short, guide to using Adobe Voice to create your first video.

Fully illustrated with screenshots, How Do I Create a Low-Cost Book Trailer? walks you step-by-step through the process of planning and producing your video.

In the interests of full disclosure, How do I guides are very short and to the point. The explanations are simple and direct with nothing extra. Therefore, they tend to be shorter than many other books. If you are looking for a comprehensive textbook on the subject of video production, this is not what you want. On the other hand, if you are looking for a simple, easy to follow guide to using one specific program to create a basic professional looking book trailer, this is your book. Additionally, this book also includes links to various web extras that will enhance your learning experience.

So, what's holding you back? Get out there and create your own book trailer today.
