**Love is for the Living (Albion Rising) (Volume 1)** Nicholas Kinsley

The zombies have arrived, and Blaine needs to escape. He'd always thought of his London neighborhood as a place of safety, but then his infected neighbors tried to eat him. Blaine packed a bag and fled through growing numbers of shambling, voracious monsters--*people*, he had to remind himself, *they're people*-- toward his family in Bristol. He would surely have died without the turn of luck that brought him Commander Andrew Peterson. Together, they face the horrors and adversities of the apocalypse, trying to protect their loved ones, and—if they're lucky—find love for themselves. (M/M)
