Soul of the Algorithm Norbert Weissinger
An unsuspecting computer scientist becomes involved in a dangerous web of intrigue, when he teams with a woman claiming to be an international police agent investigating a money-laundering cartel. Andrew Lee, on the verge of inventing a quantum computer, must escape his fathers legacy and free himself from mind-altering forces. In a world of corporate piracy, where kidnapping and murder are the rule, Lee runs a torturous path in seeking his fathers killers and discovering the truth behind a sinister multinational corporation that would control him and alter the fate of the worlds electronic commerce.
