Way Station Clifford D. Simak

An ageless hermit runs a secret way station for alien visitors in the Wisconsin woods in this Hugo Award–winning science fiction classic

Enoch Wallace is not like other humans. Living a secluded life in the backwoods of Wisconsin, he carries a nineteenth-century rifle and never seems to age—a fact that has recently caught the attention of prying government eyes. The truth is, Enoch is the last surviving veteran of the American Civil War and, for close to a century, he has operated a secret way station for aliens passing through on journeys to other stars. But the gifts of knowledge and immortality that his intergalactic guests have bestowed upon him are proving to be a nightmarish burden, for they have opened Enoch's eyes to humanity's impending destruction. Still, one final hope remains for the human race . . . though the cure could ultimately prove more terrible than the disease.

Winner of the Hugo Award for Best Novel, *Way Station* is a magnificent example of the fine art of science fiction as practiced by a revered Grand Master. A cautionary tale that is at once ingenious, evocative, and compassionately human, it brilliantly supports the contention of the late, great Robert A. Heinlein that “to read science-fiction is to read Simak.”

From reader reviews:

Susan Arnold:

Here thing why this particular Way Station are different and trustworthy to be yours. First of all studying a book is good nevertheless it depends in the content from it which is the content is as scrumptious as food or not. Way Station giving you information deeper and different ways, you can find any guide out there but there is no book that similar with Way Station. It gives you thrill reading through journey, its open up your own personal eyes about the thing that happened in the world which is probably can be happened around you. You can bring everywhere like in park your car, café, or even in your technique home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Way Station in e-book can be your alternate.

Diane Worrell:

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is from the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Way Station as your daily resource information.

Will Cathcart:

Often the book Way Station will bring that you the new experience of reading the book. The author style to spell out the idea is very unique. When you try to find new book to study, this book very ideal to you. The book Way Station is much recommended to you to read. You can also get the e-book from your official web site, so you can quickly to read the book.

Sandra Mendoza:

Would you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Make an effort to pick one book that you never know the inside because don't judge book by its cover may doesn't work at this point is difficult job because you are frightened that the inside maybe not because fantastic as in the outside search likes. Maybe you answer might be Way Station why because the great cover that make you consider concerning the content will not disappoint an individual. The inside or content will be fantastic as the outside or cover. Your reading 6th sense will directly make suggestions to pick up this book.
