Hope returns to all dragonkind as enemies become allies and lovers.

Dragon Knights, Book 2

As a young widow, Adora raised her daughter by herself, never dreaming that love could cross her path again. But now that her girl is married to a pair of dragon knights, Adora's eyes are opened to all the possibilities the Border Lair has to offer, including two handsome men who catch her eye.

Lord Darian Vordekrais is about to turn traitor, giving up his title, his lands, and his home in order to warn the dragons and knights of his treacherous king's evil plan. But after he meets the beautiful widow, his sacrifice seems worth the cost. Meanwhile, Darian's old friend Sir Jared, who lost his first wife and child to treachery, is shaken by his own intense attraction to Adora. But Jared's broken heart is frozen in solid ice. Or is it?

As war looms on the horizon, the knights and dragons of the Border Lair rise to the occasion. New allies rally to their side, and romance blossoms and grows even as evil invades the land. The knights and dragons must stand fast against the onslaught, the beautiful woman of royal blood bringing them hope, healing and love.

Warning: This book contains a couple of meddling, matchmaking dragons who won't stop until two sexy knights realize the lady of their dreams can love them both separately and together. Menage a trois and a bit of exhibitionism compete with the dragons for smoking hotness.
