Bush v. Gore: The 2000 Election The New York Times

This e-single collection of New York Times articles covers events in the aftermath of the 2000 presidential election during which the candidates, Texas Gov. George W. Bush and Vice President Al Gore, contested the Florida vote. After the television networks declared Mr. Bush the winner on election night, Mr. Gore telephoned his rival to concede, only to call back a half hour later to say that the vote in Florida had tightened so much that he had changed his mind. A verdict by the Supreme Court in favor of Mr. Bush capped a lengthy legal and political battle that tested a divided and often exasperated nation.
