Then she meets her new boss, hotshot magazine editor, Lucas Powers. Christina and Lucas share a secret. They are stepbrother and stepsister and can't stand on another. When they are thrown together at work, Lucas tries to keep his distance, though it's like a drunk trying to resist a drink. Soon, Christina has an idea: if they act on their years of pent-up passion and "get it out of their system", then they could coexist in harmony. It's a fine theory, but Lucas knows that once he's tasted Christina's lips, there will be no going back.**
