Andrea Carter is turning sweet sixteen and life could not be better. School's almost over for good, and there will be plenty of time to train the colt of her treasured horse, Taffy. Best of all, big brother Chad is giving Andi more responsibilities on the ranch she loves.

Her first job is to teach city-slicker cousin Daniel how things work on the Circle C. There's just one big problem: Daniel wants nothing to do with ranch life. Charming one minute and outrageously rude the next, he ignores common sense, defies authority, and proves a danger to everyone, including himself.

When Andi stumbles onto a horrifying secret about Daniel, he warns her to stay silent or face the deadly consequences. But all bets are off when Daniel's actions set off a chain of events that leave Andi brokenhearted and bitter. Can anyone break through the wall around Andi's heart and help her find healing?
