The Werewhale and the Sea Chest Debbie McFadden

This great e book for kids of all ages will take you on a fantastic journey through a beautiful and dangerous undersea world.

Sirena has always felt like a loser. Adopted by Senga, the mother from hell, betrayed by her best friend, bullied by mean girls Amanda and Annabelle at school, life never seems to go her way; until one moonlit night, when an eerie cry from the sea transforms her life forever.

Sirena discovers she is an Amphibia, a race descended from the magical Merfolk, who are able to live both on land and in the sea; but the Amphibia are dying and only Sirena can save them. She must find her real mother, the evil mermaid Lorelei, and persuade her to release the power of the treasure of the Mer-folk to save the family she longs for.

Sirena, and her two unlikely travelling companions; Campy the seahorse and Orcanaine the killer whale, embark on an amazing adventure through the oceans of the world, as they dine with dolphins, sing with sharks, party with surfers and flee the murderous werewhales. As they travel they are haunted by tales of the mysterious Sea Devil; is it just a mythical creature or a dark and dangerous enemy?

Will Sirena find the mother who abandoned her? Can she persuade her to release the power of the treasure and save her family? Does she even survive her perilous journey and the final act of betrayal committed by someone she trusts?

Join Sirena and her friends on their whirlwind aquatic adventure. If you love monsters and mermaids, dolphins and devils, parties and paradise, surfing and seals, fish, friendship, fun and a good fight, this is the book for you.
