Waiting for Rachel

Damian Karlsson has decided it's time to settle down and have a family. He has set his sights on Rachel Perkins, but can't figure out why she won't even give him a chance. It seems to Damian she feels something for him, but still she resists. Damian is determined to find out why.

Though she is attracted to Damian, Rachel is equally determined to keep her secrets close to her heart. Men she loved have betrayed her in the past, and she isn't prepared to take that risk again. But when her secrets are forced out in the open, will Rachel discover that forgiveness and trust are worth the risk when it leads to love?

"This was a nice book, & I am looking forward to the next one. The family is one that I really have connected with! This story has quite a few pieces of my life in it! I can't wait to get to know the Karlsson boys better in the next book! Strong, faith-filled, family men are so sexy!!!!"

"This book was wonderful. The Karlsson boys are truly great men that were raised right!"

Worth the Wait

Home for his brother's wedding, Alex Karlsson meets a woman who captures his attention and makes him start thinking about the future. As the founder of the Marriage First ministry, Alex has always advocated sexual purity and waiting for marriage. His prayer has been to find a wife who also feels the same way. He feels a connection with Serena Menard and wonders if she might be the one he's been waiting for all these years.

Serena can't deny that Alex holds an attraction for her, but she is fairly certain that she is not the wife he been praying for. He doesn't seem to get her subtle hints that she doesn't think a relationship between them is a good idea. Finally she decides to give him a chance, hoping that he will see her through God's eyes and that love will prevail.

Will long held ideals and secrets doom their relationship before it even starts? Or will they be able to trust God when all hope seems lost?

"The Karlsson boys are sweet, fun, and cute! This is a great romance novel if that's what you are looking for, this is your book!"

"You get so absorbed in the reading, as if you are a part of the plot, you just can't put it down until you finish it."

The Waiting Heart

A family crisis brings Jace Karlsson back to Minnesota and face to face with the girl he loved and abandoned eight years earlier. When the opportunity arises to help her, he hopes that it will make amends for his actions of the past. But old feelings die hard, and Jace soon realizes he feels more than guilt and remorse.

While the tragic accident left Mari with a broken and scarred body, it was Jace Karlsson's abrupt departure from her life that left her heart shattered. When he offers to help her realize a dream, Mari accepts but as she deals with the emotions of the past and the present, she wonders if the price is too high.

"As with all of her books, the characters will live in your mind. The theme of this book is guilt and forgiveness. Two topics that speak to the heart of just about everyone. It isn't preachy at all and done in a very real way"

"If you enjoy contemporary Christian romance then this is a series for you".
