## **Workbook to accompany Maintenance and Reliability Best Practices, 2nd Edition** Ramesh Gulati

This softbound workbook is the ideal guide for readers of Gulati's Maintenance and Reliability Best Practices, 2nd edition, as well as for students in a classroom or seminar/workshop setting.

Each chapter provides extensive Powerpoint-style summaries of important vocabulary and essential concepts, in a format that encourages students to write additional notes and evaluations of the content. Includes reviews of chapter objectives and summaries. Provides readers with answers to the main text's assessment exercises as well as additional questions to direct their study. Each chapter concludes with a set of independent research questions; these questions help readers expand their understanding of the content as they prepare to apply best practices.
