In marriage, there should be no rooms for falling out of love or divorce. This is actually the ideal situation, but with the increasing rate of marital issues and divorce rates, you should start safe-proofing your marriage even before a problem may arise. How? You can have a better and happier married life by starting on the one thing that you can control –yourself.

**"A successful marriage requires falling in love many time, always with the same person." - Mignon McLaughlin**

There is no school that will teach you on how to become a wife, and how you can actively protect your marriage. This is where this book will come in; the goal is to help you become a better wife through helpful tips and insights that will enable you to lead a happier marriage. If you are currently having marital issues, do not fret, life is also about second chances and you have the choice to fight for your relationship by starting to improve yourself. You will be amazed on how changing one's perception, attitude and behavior could place your marriage back on track!
