Patent Law (Concepts and Insights) Craig Nard, R. Wagner

This Concepts and Insights title offers an unusual mix of approaches to explaining the modern patent system. It combines both a comprehensive view of the law itself with key academic insights that illuminates the manypolicy challenges in the area today. The book is theoretical, yet grounded in the realities of the legal system - drawing from a range of original works across the field. As such, the book will be useful to the scholar, the student, and the practitioner - anyone who needs a compact, yet sophisticated overview of patent law.
