Christmas is always a special time of year. It's a time of celebration, reflection, gift-giving, loving, compassion and get-togethers with family and friends. This book contains nine (9) short tales in which Christmas is the central theme. Some tales have a religious theme, some a secular theme. All are about being human at a special, magical and mystical time of year. These are some of Santa's favorite Christmas stories: enough enjoyment for every taste. Please be sure to check out other works written by the same author: *New Mexico: A Glimpse Into An Enchanted Land*, and *Against the Wind, Courageous Apache Women*. Both books are available on-line and traditional bookstores, including Amazon and Barnes and Noble. Five poems and three sketches also appear in an anthology entitled: *More Voices of New Mexico*, published separately by Rio Grande Books. This title is also currently available. Please keep an eye out for these new titles.
