**This humorous take on marriage shows you how the true keys to marital bliss and success are—surprisingly—the same as the cardinal rules of comedy.**

In love, as in comedy, timing is everything. One bad night doesn't mean it's time to quit. Have patience: great marriages, like a successful comedy career, take time. Turns out the cardinal rules of comedy have an uncanny resemblance to the "rules" of building a strong marriage. With humor and grace, Dani Klein Modisett shares a map for navigating your marriage through rough patches, bad jokes, and even nights when you bomb.

*Take My Spouse, Please* shows how thirteen tried-and-true rules of comedy, when applied to marriage, keep you and your spouse connected, enjoying each other, and getting through tough times. Along with anecdotes from well-known comedians, comedy writers, marriage counselors, and long-term spouses, Dani delivers the core premise: humor matters.
