Otherworldly desire and paranormal action reach new heights in the final installment of The Soulkeepers. As Sophia St. James moves Heaven and Hell to claim her destiny, questions are answered, secrets are revealed—and immortal love is tested.

After finally becoming a powerful Spirit Walker, Sophia St. James is shocked to discover that her conjured identical twin, Ka—along with her soul—have been dragged down to Hell by the relentless Demon Knight Dante. Sophia tries to hide the crisis, but there is little hope of keeping any secrets from her red-hot Guardian Angel. Growing suspicious, Michael has been making plans of his own that will bind him and Sophia together forever.

But Sophia is plagued with evil visions through Ka's experiences in Hell. She is terrified that Dante will discover he has taken the wrong Sophia. Desperate to return to her original state before she withers away and dies, she risks everything to go where Michael can't follow. To bring back Ka and save her own soul, Sophia must now enter the gates of Hell.
