Nobody likes the waiting game: You seek God's will, but He won't answer. Time and time again, you pray for direction but turn up empty. It's that moment when crickets chirp louder than your thoughts. It's the waiting place.

Sometimes it ends quickly, but other times it drags on without end, perhaps leading you to wonder where God is in all the mess.

In this book you'll discover why God makes you wait, and how to make the best of your moments in the waiting place. You'll learn what His plan is and how He intends to use it for your future.
