Alexis Donovan is a woman whose dream of falling in love with the perfect men has been dashed because of her infertile status. Still recovering from a war that almost destroyed the world, humans have fought to rebuild and have once again opened their shields to outside visitors. As a liaison officer for alien races that are visiting Earth, Alexis does her best to ignore what she can never have, but when she is put in charge of four visiting alien warriors, her entire world changes... Dragons Warriors from Arcadia, Xavier and Galan Tesera and their best friends Thorn and Brydan Volis, have been curious about Earth ever since they helped the humans defeat their enemy years ago. As commanders of their own space vessel they travel the galaxies searching out the unknown, but in their hearts they know they will never truly be satisfied without a mate by their side. When the four Dragon Warriors land on Earth they are instantly enamored with the sharp-tongued liaison who ignites a burning passion in their hearts, and know that she is the mate they have been searching for who will complete their souls. Will Alexis take a chance on four alien warriors or will the fear of leaving everything she has ever known destroy her chance of finding true love?
