## **An Infinite Number of Monkeys: A Guide to Effective Business Communications** Mike Barnes

Perplexed by the business value of social media? Not sure how to build an effective information system for your organization? Mike takes us on a safari through the communications jungle, to see how the monkeys that inhabit the modern office can bring out their brilliance through electronic collaboration. In a book which covers topics as diverse as cloud solutions and the mind shift required to turn your organisation into an anarchy (and why you might want to do so), we are shown how the smartest organisations can use the tools of the information age to boost productivity. We learn how information, the life-blood of any organisation and the route to value-creation, happy teams and loyal customers, can be turned from a passive resource to a highly active one. The book looks specifically at how communications have evolved, and where it's all heading, and covers such topics as unified communications, social media and social networking, cloud services, managed services, "Bring Your Own Device" issues, security, and the important issue of identity, and how to prove it. If you want to be a smart monkey, rather than just one of an infinite number of keyboard jockeys, then you need to read this book.

### **From reader reviews:**

#### **Bobbie Wallace:**

Do you really one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you just dont know the inside because don't assess book by its handle may doesn't work is difficult job because you are scared that the inside maybe not as fantastic as in the outside appearance likes. Maybe you answer can be An Infinite Number of Monkeys: A Guide to Effective Business Communications why because the fantastic cover that make you consider in regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading 6th sense will directly guide you to pick up this book.

#### **Alicia Gentry:**

This An Infinite Number of Monkeys: A Guide to Effective Business Communications is great reserve for you because the content which can be full of information for you who all always deal with world and get to make decision every minute. This book reveal it details accurately using great plan word or we can declare no rambling sentences in it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but tough core information with lovely delivering sentences. Having An Infinite Number of Monkeys: A Guide to Effective Business Communications in your hand like keeping the world in your arm, information in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen tiny right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

#### **Don Gonzales:**

As we know that book is vital thing to add our understanding for everything. By a book we can know everything we really wish for. A book is a list of written, printed, illustrated or even blank sheet. Every year was exactly added. This book An Infinite Number of Monkeys: A Guide to Effective Business Communications was filled concerning science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading some sort of book. If you know how big selling point of a book, you can really feel enjoy to read a reserve. In the modern era like now, many ways to get book that you simply wanted.

#### **Tommy Heckman:**

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.

Therefore , this An Infinite Number of Monkeys: A Guide to Effective Business Communications can make you sense more interested to read.
