Energy Psychology Journal, 2:2 Dawson Church

Energy Psychology: Theory, Research, and Treatment is a peer-reviewed professional journal dedicated to reporting developments in the field of energy psychology (EP) that are of interest to healthcare professionals and researchers. It contains original empirical research into the efficacy of EP methods; theoretical, experimental and basic science papers illuminating the mechanisms of action of EP; clinical insights on the application of EP to various populations, and interfaces with other interventions; book reviews, and abstracts published in other journals that are of relevance to the EP field. Its goal is to further the development of EP as an evidence-based method in the healing sciences.
