Save your LIFE and Save your FAMILY Are you prepared for any disaster that is about to happen? Do you already have emergency supplies? Is it enough to sustain you and your family's life for an extended period, when help from others would be close to impossible? Have you discussed and implemented the emergency plans with your family? Fighting for your survival during times of disaster is not about luck, it's about the right knowledge that will help you pull through it. It is all about saving you and your family's life, with the tips provided in this book. Guess what? YOU CAN MAKE IT HAPPEN by reading and following all the guidelines laid out in my book. In this book you will; -Learn where to find safe drinking water, when it seems there is none. -Learn where to find food, when your stocks are getting low, and stores are all closed. - Learn the techniques in packing up your emergency life supply so it will last longer. -Learn how to homemade preserve your food that will last up to a year without spending too much. -Learn the perfect spots on where you can store your food supply. -Learn how to manage your food and water supply during and after disasters. This book aims to make you more confident and more knowledgeable in saving LIFE during disasters by the means of being prepared. The best preparation comes from you being prepared, and you can start that preparation today by doing everything I laid out in my book. **START RIGHT NOW!** Or before it's too late. Disasters come and go; it might not be here today, who knows maybe by tomorrow or another day it is here, not just for a day, but maybe a year to stay. Ask yourself now, **AM I READY? IF YOU FAIL TO PREPARE, THEN YOU'RE PREPARED TO FAIL OR POSSIBLY NOT SURVIVE!!!**
