The Heroes of Harley-Davidson Ed Youngblood

One-hundred years of Harley-Davidson is often reduced to a tale of machines. Equally fascinating, and often overlooked, are the men and women behind the machines. The Harley and Davidson founders, the engineers, the racers, the designers, the dealers, the flesh-and-blood heroes made the company and the bikes the success they are today. This book was written in cooperation with the Motorcycle Hall of Fame Museum to accompany an exhibit that opened in 2003.
