A Sensible Arrangement (Lone Star Brides Book #1) Tracie Peterson

Marty Dandridge Olson is ready to leave behind the pain of the past.

Answering an advertisement for a "Lone Star bride," she leaves her Texas ranch and heads to Denver to marry a man she doesn't know.

Jake Wythe is the man waiting for her.

Burned by love, he marries now simply to satisfy the board of Morgan Bank, which believes a man of his standing in society should be wed. Together Jake and Marty agree they are done with romance and love and will make this nothing more than a marriage of convenience.

When missing money and a collapsing economy threaten his job, Jake's yearning to return to ranching grows ever stronger, much to Marty's dismay. But a fondness has grown between them, as well, further complicating matters.

**What will happen when their relationship shifts in unexpected ways...
and dreams and secrets collide?**

"Readers will look forward to the next in the Lone Star Brides series." -*RT Book Reviews*
