Bear Justice: Paranormal Bear Shifter Romance (Big Bear Mountain Book 2) Bianca James

Big Bear Mountain threatens to erupt when a blazing female PI clashes with the hot-as-sin town sheriff.

Medically discharged after being injured during a covert operation, Jack Raven tries to adjust to post army life as the Sheriff of Big Bear Mountain. His bear is quite at home, but in his human form, Jack's finding small town law enforcement challenging, to say the least.

And challenges don't come much greater than the audacious and bossy private investigator, Cassie Hunter who has come to town to claim her inheritance while conducting a covert operation of her own.

If Jack isn't finding it hard enough to deal with her, his bear has locked sights on the curvaceous and outlandish woman as his mate.

Assassins, bombs, kidnappers, guns and a mystery more than a century old – that's what Cassie brings to Jack's quiet mountain town.

*** This is a 22,000 word **standalone story** with **no cliffhanger**. It is the second in a collection of stories from Big Bear Mountain, where big, sexy, bear-shifter mountain men get lucky and find curvy girls who can handle them. ***
