A vision. You as a leader may have it, but has your organization caught it? If a leader's vision is all about what could be and what should be, why are you buried under what is? Noted author and pastor Andy Stanley points out that if followers don't get the vision, it's because the leaders haven't delivered it. He reveals the three reasons vision doesn't stick. And then he delivers three ways to make vision stick, to make you a leader worth following: 1. Cast vision strategically: defining your vision. 2. Celebrate vision systematically: regularly rejoicing in the successes 3. Live your vision continuously: putting your vision into practice in your own life With Making Vision Stick, you'll learn how to propel you and your organization forward on the vision God has granted you.
