## MasteringGeology with Pearson eText -- Standalone Access Card -- for Earth Science (13th Edition)

Edward J. Tarbuck, Frederick K. Lutgens, Dennis G. Tasa

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

-- Ideal for undergraduates with little or no science background, **Earth Science** is a student-friendly overview of our physical environment that offers balanced, up-to-date coverage of geology, oceanography, astronomy, and meteorology. The authors focus on readability, with clear, example-driven explanations of concepts and events. The Thirteenth Edition incorporates a new active learning approach, a fully updated visual program, and is available for the first time with MasteringGeology—the most complete, easy-to-use, engaging tutorial and assessment tool available, and also entirely new to the Earth science course.

Used by over a million science students, the **Mastering** platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. This is the product access code card for MasteringGeology™ and does not include the actual bound book.

**Pearson eText** gives you access to the text whenever and wherever you can access the Internet. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This does not include the actual bound book.
