"They don't build them like Frank Mundus anymore . . . The leathery, prank-loving charter boat captain who has become a legend earning the name: Monster Man.

This is his story. The story of a ceaseless, seagoing safari in search of monsters of the deep . . . especially the great white shark.

Hunting down monsters has been called the ultimate challenge. Mundus faced it with consummate daring when--a decade before "Jaws"--he caught the largest great white ever taken.

His story is brimming with adventure, danger, suspense and hilarity, and peopled with the most extraordinary characters you will ever meet." -- Robert F. Boggs.
