Prophetic prayer is bold and specific. It is born out of the revelation and understanding of your covenant right in Christ. It is an authoritative prayer of such believer who has taken hold of the truth and ready to appropriate it accordingly. He or she knows that healing, prosperity, and abundant life belong to him or her. So he does not beg for them. They are simply proclaimed. God is honored when you put on this confidence. There are thousands of promises that are yours, written in the Bible. You must not only believe them, but you must also declare them in prayer. Speaking the Word over your situation is a God given strategy to overcome. Jesus' responses to satanic temptation in the wilderness of trials were "It's written..." Situations and circumstances are bound to bow at the written Words of God when they are spoken in faith. In this book you will be exposed to seven covenant inheritances in Christ, which are scripture-based. However, you will still need to study the scriptures to gain abundant knowledge and understanding of God's promises for your life. When you take hold of these scriptural truths, you must declare them. God watches over His Word to perform it. The Word of God has integrity – It does not fail or disappoint. It is yes and amen!
