The Black Edgar Wallace

Fashionable Londoner James Morlake is a gentleman with many secrets and several particularly valuable skills--like terrorizing bankers across the city. His Moorish servant Mahmet has some secrets to hide as well, particularly when his employer gives him the odd task to perform in the dead of night in dark London.

Richard Horatio Edgar Wallace (April 1, 1875-February 10, 1932) was a prolific British crime writer, journalist and playwright, who wrote 175 novels, 24 plays, and countless articles in newspapers and journals. Over 160 films have been made of his novels, more than any other author. In the 1920s, one of Wallace's publishers claimed that a quarter of all books read in England were written by him. He is most famous today as the co-creator of "King Kong", writing the early screenplay and story for the movie, as well as a short story "King Kong" (1933) credited to him and Draycott Dell. He was known for the J. G. Reeder detective stories, The Four Just Men, the Ringer, and for creating the Green Archer character during his lifetime.
