## **The Creation of Anne Boleyn: A New Look at England's Most Notorious Queen** Susan Bordo

Part biography, part cultural history, *The Creation of Anne Boleyn* is a fascinating reconstruction of Anne's life and an illuminating look at her afterlife in the popular imagination. Why is Anne so compelling? Why has she inspired such extreme reactions? What did she really look like? Was she the flaxen-haired martyr of Romantic paintings or the raven-haired seductress of twenty-first-century portrayals? (Answer: neither.) And perhaps the most provocative questions concern Anne's death more than her life. How could Henry order the execution of a once beloved wife? Drawing on scholarship and critical analysis, Bordo probes the complexities of one of history's most infamous relationships.

Bordo also shows how generations of polemicists, biographers, novelists, and filmmakers imagined and re-imagined Anne: whore, martyr, cautionary tale, proto "mean girl," feminist icon, and everything in between. In this lively book, Bordo steps off the well-trodden paths of Tudoriana to expertly tease out the human being behind the competing mythologies.
