Samuel Johnson

Works of Samuel Johnson, Vol 16: Rasselas and Other Tales (The Yale Edition of the Works of Samuel) Samuel Johnson

This volume brings together three of Johnson's longest fictional pieces, works which embody different literary genres but share unusual similarities in some of their principle themes and emphases. Rasselas, perhaps the most popular of Johnson's publications, is a philosophical tale that encompasses the full range of Johnson's thinking on moral, psychological and literary matters. It is considered by many to be central to an understanding of Johnson and his age. The Vision of Theodore, a moral allegory, and The Fountains, a fairy tale, demonstrate clearly the variety of Johnson's narrative skills.
