A Song of Ice and Fire is an ongoing series of epic fantasy novels written by American novelist and screenwriter George R. R. Martin. This book, A Clash of Kings, is its 2nd volume. It tells : King Robert's death, prime minister Stark's fail to suppress the opposition and his death arise clashes between kings in westeros. The viewpoint character writing techniques makes it more like a movie other than a fiction: a particular visual character is centered to narrate a part of the story in one chapter, then in the next chapter, the character will be replaced by another one to narrate another part of the story, the whole story is completed by all the chapters adding together, bringing the Readers right into the scenes and unable to go out.
