Back Door Woman Randi Roman

I'd become a real three-hole wonder for my male neighbors to enjoy – and my loving husband doesn't mind!

I've always had a more, er, *enthusiastic* sexual appetite than my husband: he knew that when he married me. Of course I love him: that's why we're together! But now here I was, stuck in this neighborhood, slowly sinking into the mediocrity of married life...

Until Byron. *I was only trying to help.* And poor Ralph -- what a waste of a perfectly *big* man. And Robert -- well, *why not?* Looks like I didn't have to leave the neighborhood after all! **Lucky me!**

This book is not to be read by anyone under the age of eighteen.

This book contains scenes of interracial love, consensual relations between married people, submission, and oral, vaginal and -- *of course* -- anal action!
