Becoming a Registered Nurse: Making the transition to practice (Transforming Nursing Practice Series) Jenny Temple

Final year nursing students are often nervous about making the transition into a registered nurse. This book helps students prepare for their first nursing role and uses 'real life' scenarios to consolidate their skills. It guides students through the final year with its increased demands, and assists them in meeting the NMC requirements for registration. It covers content commonly found on final year transition to practice modules including coping with stress, applying for jobs, what to expect from your first role, dealing with change, delegating and managing junior staff, handling risky situations, managing priorities and developing your career.
