Science, Evolutionary Theory and Christianity: Partners in Truth or Antagonists? Chris Schansberg
Are science and the truth of the Gospel of Jesus Christ at odds? Not at all! Drawing on over two decades of combined pastoral, academic and theological experience, Rev. Chris Schansberg provides a framework for the combining of Christian faith and scientific inquiry. Chris provides a well researched perspective that combines current scientific understanding of physics and evolutionary thought, with a well grounded Biblical perspective that represents the most up to date scholarship. Accessible to the lay reader and professional, this is a "must read" for anyone who is serious about being an Evangelical Christian in this scientific age!
