Sex, Drugs, Rock & Roll

Eric Bogosian

Sex, Drugs, Rock & Roll Eric Bogosian

"Mr. Bogosian is a hilarious wit: there is one line after another that you will quote to friends. He is a born storyteller with perfect pitch for the voices of various ethnic, racial and economic backgrounds. Using every powerful means available to a theatre artist, he shakes the cages of a complacent country engulfed by homelessness to ask just exactly who, if anyone, is home." -Frank Rich, *New York Times*

"Greatly and bilaterally talented... spiky, stinging, caustic without cauterizing. And funny." -John Simon, *New York Magazine*

"Scabrously funny... a dervish of a performer, ricocheting off the walls of the male psyche." -*Boston Phoenix*

Eric Bogosian is one of our most innovative and provocative artists, with a unique gift for portraying the currents and idioms of contemporary society. The monologues in *Sex, Drugs, Rock & Roll* form a composite picture of the complex, sometimes alarming state of American culture in the 1990s.

One of America's premier performers and most innovative and provocative artists, Bogosian's plays and solo work include *suburbia* (Lincoln Center Theater, 1994; adapted to film by director Richard Linklater, 1996); *Sex, Drugs, Rock & Roll*, *Pounding Nails in the Floor with My Forehead*; *Griller*; *Humpty Dumpty*; *1+1*; *Skunkweed*; *Wake Up and Smell the Coffee*; *Drinking in America*; *Notes from Underground* and *Talk Radio* (Pulitzer Prize finalist; New York Shakespeare Festival, 1987; Broadway, 2007; adapted to film by director Oliver Stone, 1988). He has starred in a wide variety of film, TV and stage roles. Most recently, he created the character of Captain Danny Ross on the long-running series *Law & Order: Criminal Intent*. In 2014, TCG published *100 (monologues)*, a collection that commemorates thirty years of Bogosian's solo-performance career.
