## **Time After Time: Flashback Fashion for Modern-Day Play** Minna Gilligan

In *Time After Time*, fashion icon Minna Gilligan imparts her wisdom and penchant for mixing and matching fashion, and details contemporary ways to wear vintage things in combination with current “new” items of clothing. Minna’s philosophy is that dressing has no rules or regulations other than what you impose on yourself, and that an outfit’s greatest goal is to bring you joy and make you feel good. She fills the pages with snapshots of her own inspiration and art and details how to combine items plucked from different time periods with accessories, buttons, collar details, shoes, hats, and glasses. Minna offers the tools for how to shop from thrift shops to the internet to the occasional high-end store, with examples of looks she puts together from her own finds for a range of occasions. *Time After Time* is a color riot that is as beautiful as it is useful.
