Love is an open door...except when it keeps slamming in your face

Hopeless romantic **Milly Rose** has had her fair share of heartbreak. Obsessed with all things Disney, she refuses to give up on finding her Prince Charming – he's out there somewhere, isn't he?

When Milly is given a job to investigate the origins of a historical building in the village of Clover's Rest, she's not sure what to expect. What she discovers takes her breath away - a beautiful real life Cinderella castle, complete with turrets, a magnificent drawbridge AND a very handsome owner...**Cameron Heartstone**.

As Milly and Cameron begin to unearth the secrets of Clover Castle, they can't ignore the intense chemistry building between them. But they've both been hurt badly before. Can they take a big leap of faith and find their own happily-ever-after?

A deliciously enchanting read that will delight fans of Rachael Lucas, Lucy Diamond and Miranda Dickinson or anyone who has ever blubbed at a Disney movie. Who says real life can't be a fairytale?
