## **I'll Have Who She's Having** Liz Fenton, Lisa Steinke

Kate's been depressed ever since yet another long-term boyfriend unceremoniously dumped her. When her younger and married sister Kelly convinces her the way to meet a quality man is for the two of them to sign up for a volleyball class, she's just desperate enough to agree. But Kate becomes so fixated on their coach that she fails to see an unlikely but perfect match right in front of her. Kelly's been less than happy for longer than she wants to admit. She's the one who appears to have it all: the perfect husband, the big house and the beautiful daughter. Despite it all, she feels an emptiness she can't explain and is conflicted when it's her volleyball coach who offers an answer. *I'll Have Who She's Having* follows Kate and Kelly as they battle themselves and each other in their search for a happy ending. Through a series of hardships and self-doubt, they both realize they were looking for happiness in the wrong places. It's a novel for anyone who ever secretly let their insecurities get the best of them.
