## **International Commercial Arbitration, Second Edition (Three Volume Set)** Gary B. Born

The second edition of Gary Born's **International Commercial Arbitration** is an authoritative 3,950 page treatise, in three volumes, providing the most comprehensive commentary and analysis, on all aspects of the international commercial arbitration process, that is available.

The first edition of **International Commercial Arbitration** is widely acknowledged as the preeminent commentary in the field. It was awarded the 2011 Certificate of Merit by the American Society of International Law and was voted the International Dispute Resolution Book of the Year by the Oil, Gas, Mining and Infrastructure Dispute Management list serve in 2010. The first edition has been extensively cited in national court decisions and arbitral awards around the world.

The **treatise** comprehensively examines the law and practice of contemporary international commercial arbitration, thoroughly explicating all relevant international conventions, national arbitration statutes and institutional arbitration rules. It focuses on both international instruments (particularly the New York Convention) and national law provisions in all leading jurisdictions (including the UNCITRAL Model Law on International Commercial Arbitration). Practitioners, academics, clients, institutions and other users of international commercial arbitration will find clear and authoritative guidance in this work.

The second edition of **International Commercial Arbitration** has been extensively revised, expanded and updated, to include all material legislative, judicial and arbitral authorities in the field of international arbitration prior to January 2014. It also includes expanded treatment of annulment, recognition of awards, counsel ethics, arbitrator independence and impartiality and applicable law.
